**Women and Jewels.**  
Jewels, candy, flowers, man—that is the order of a woman's preferences. Jewels form a magnet of mighty power to the average woman. Even that greatest of all jewels, health, is often ruined in the strenuous efforts to make or save the money to purchase them. If a woman will risk her health to get a coveted gem, then let her fortify herself against the insidious consequences of coughs, colds and bronchial affections by the regular use of Dr. Boschee's German Syrup. It will promptly arrest consumption in its early stages and heal the affected lungs and bronchial tubes and drive the disease from the system. It cures all but it is a certain cure for coughs, colds and all bronchial troubles. You can get Dr. G. Green's reliable remedies at W. T. Brooks'. Get Green's Special Almanac.

## Oil for the Children.

Give them oil—cod-liver oil. It's curious to see the result.

Give it to the peevish, fretful child, and he laughs. Give it to the pale, anæmic child, and his face becomes rosy and full of health. Take a flat-chested child, or a child that has stopped growing, give him the oil, and he will grow big and strong like the rest.

This is not a new scheme. It has been done for years. Of course you must use the right oil. Scott's Emulsion is the one.

Scott's Emulsion neither looks nor tastes like oil because we are so careful in making it pleasant to take.

## CLINTONVILLE.

Dr. Lin Smith, Jr., of Paris, was a recent visitor here.

Mr. and Mrs. Anderson, of Midway, are the guests of Dr. Anderson.

Mr. Felix Newman, of Falmouth, is visiting at Mr. Robert Terrill's.

Miss Naunie Mitchell, of Paris, was the guest of friends and relatives here last week.

Mr. and Mrs. E. P. Gorham and children, of Newtown, Scott county, visited at T. L. Gorham's last week. A reunion of the Gorham children was held.

A most enjoyable time was had at the strawberry supper on Thursday of last week, given by the ladies of the Christian church. The receipts were quite satisfactory.

## A SHORT TRIBUTE.

To the memory of Mr. Ben Schooler and Mrs. John Stipp, deceased, and Miss Katurah Schooler, who still survives, foster parents of the Gorham children.

In the passing away of Uncle Ben Schooler and Aunt Martha Stipp, we feel we have lost two of our best earthly friends.

In Uncle Ben, we found the good friend and wise counsellor, upon whose judgment we could always rely and whose kind heart always responded to the many calls which the adoption and rearing of foster children necessarily make upon foster parents.

In Aunt Martha, we found always the tender heart and sweet motherly love for which the hearts of children always yearn and missing which they miss so much of the heavenly part of earth's blessings. Her life's history is one unbroken record of Christian service and devotion to her family and we, her foster children, she always gave her best, with never thought for self, and left vacant a place in the hearts and lives of a loving husband and devoted children, sister children, sister and friends, which no other can ever fill. She has been called home, but the influence of her life among us will live and bear fruit for the Master in the hearts and lives of everyone who came under her sweet influence, and we do not mourn as those who cannot be comforted, for we know full well that heaven will be sweeter and fairer for us all with the bright faces of our loved ones waiting to welcome us when we step across the narrow threshold from our earthly tenement to the "house not made with hands eternal in the heavens."

Of the dear aunt, who now alone remains with us, we must accord all the praise that a life devoted to the best interests of those she has loved and cherished so well demands, and our petitions rise to the Giver of all good and perfect gifts that He will spare her yet these many years to counsel and aid us as we tread the wine-press of this, our earthly pilgrimage. These words but feebly voice our gratitude to our dear foster parents, but we know tribute is due and only grieve at its insufficiency.

"The Lord gave and the Lord hath taken away, blessed be the name of the Lord."

Mrs. W. J. Ross.

## CATARRH

The treatment of Catarrh with antiseptic and astringent washes, lotions, salves, medicated tobacco and cigarettes or any external or local application, is just as senseless as would be kindling a fire on top of the pot to make it boil. True, these give temporary relief, but the cavities and passages of the head and the bronchial tubes soon fill up again with mucus.

Taking cold is the first step towards Catarrh, for it checks perspiration, and the poisonous acids and vapors which should pass off through the skin, are thrown back upon the mucous membrane or inner skin, producing inflammation and excessive flow of mucus, much of which is absorbed into the blood, and through the circulation reaches every part of the system, involving the Stomach, Kidneys and other parts of the body. When the disease assumes the dry form, the breath becomes exceedingly foul, blinding headaches are frequent, the eyes red, hearing affected and a constant ringing in the ears. No remedy that does not reach the polluted blood can cure Catarrh. S. S. S. expels from the circulation all offensive matter, and when rich, pure blood is again coursing through the body the mucous membranes become healthy and the skin active, all the disagreeable, painful symptoms disappear, and a permanent, thorough cure is effected.

S. S. S. being a strictly vegetable blood purifier does not derange the Stomach and digestion, but the appetite and general health rapidly improve under its tonic effects. Write us about your case and get the best medical advice free. Book on blood and skin diseases sent on application.

## Brain Food Nonsense.

Another ridiculous food fad has been branded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for brain, another for muscles, and still another for bones. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. Yet however good your food may be, its nutriment is destroyed by indigestion or dyspepsia. You must prepare for their appearance or prevent their coming by taking regular doses of Greens August Flower, the favorite medicine of the healthy millions. A few doses aid digestion, stimulates the liver to healthy action, purifies the blood, and makes you feel buoyant and vigorous. You can get Dr. G. Green's reliable remedies at W. T. Brooks'. ## A WORTHY SUCCESSOR.

"Something New Under The Sun."

All doctors have tried to cure CATARRH by the use of powders, acid gases, inhalants and drugs in paste form. Their powders dry up the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of CATARRH, has at last perfected a treatment which when faithfully used, not only relieves at once, but permanently cures CATARRH by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the afflicted parts. This wonderful remedy is known as "SNUFFLES" the GUARANTEED CATARRH CURE and is sold at the extremely low price of One Dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect use.

"SNUFFLES" is the only perfect CATARRH CURE ever made and is now recognized as the only safe and is also wonderfully quick to relieve HAY FEVER or COLD in the HEAD. CATARRH when neglected often leads to CONSUMPTION—"SNUFFLES" will save you if you use it at once. It is no ordinary remedy, but a complete treatment which is positively guaranteed to cure CATARRH in any form or stage if used according to the directions which accompany each package. Don't delay but send for it at once and write full particulars as to your condition and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "SNUFFLES" the "GUARANTEED CATARRH CURE."

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure Deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed, you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
